Summer fling ... or the real thing?

By Jeffrey Steele

Motors fell in love with small cars when gas prices surged this summer. Was it infatuation, or the start of a long-term relationship?

The Edmunds.com study suggests that we are beyond the infatuation stage. "It's not just a fling," says senior analyst Tom 
Toprak. "The Edmunds.com study suggests that we are beyond the infatuation stage. "It's not just a fling," says senior analyst Tom.
